RINGETTE CANADA
STRATEGIC PLAN
2007 - 2013

“We prematurely write off people as failures. We are much too in awe of those who succeed and far too dismissive of those who fail. And most of all, we become much too passive. We overlook how large a role we all play – and by “we” I mean society – in determining who makes it and who doesn’t.”

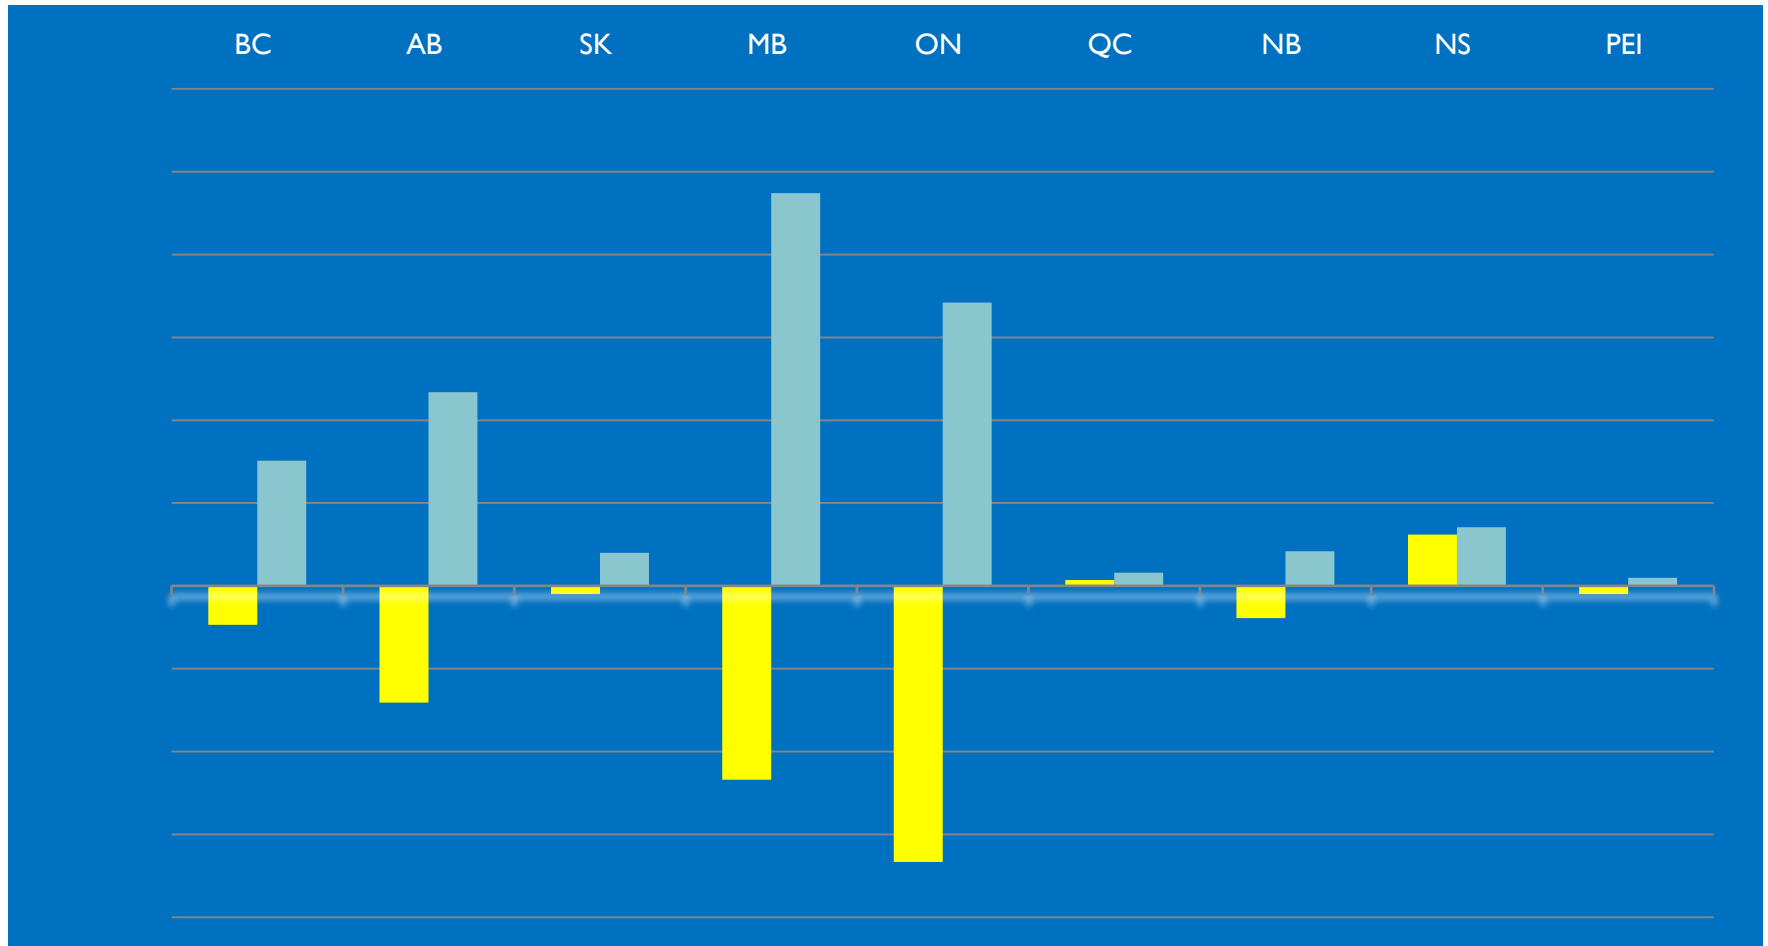

Malcolm Gladwell, Outliers (p 33)
