---

It is the responsibility of the Statistician to make sure that all SRA team scores and standings are recorded accurately and reported to TORL in a timely manner.

**Record Game Scores**

- Receive the most recent Game Schedule from the Ice Scheduler
- Collect all SRA game results (win or loose) from Team Managers for regular league games played by Sunday 7pm, Tournament scores are not recorded
- Contact any Team Managers or Coaches if there seems to be an error
- Keep all game results in case of disputes

**Report Scores to TORL**

- All Game results must be reported to the TORL Statistician by Sunday evening each week. Failure to do this will result in a loss for that team.

**Ensure Team Standings are accurate and up-to-date on the website**

- Check the TORL website standings weekly to ensure that all SRA team scores and standings are correct, and report any errors immediately. This is important for those teams qualifying for Provincials.
- Report all standings to the Board of Directors at monthly meetings
